

Let's talk about Share Group

During several of the talks you heard about the importance of a Share Group and that we need to maintain a Christ-Centered fellowship with other Christians. Through Share Groups we can help support others and ourselves and provide mutual support, encouragement and accountability in a life of grace.

If you need help in finding a Share group, your sponsor can be a source and is expected to give you advice and support. Another option is to start a new Share group with other Emmaus community members in your area.

As the Women's Good Shepherd I'm available to assist you in finding a Share Group in your community. Feel free to contact me for assistance in locating a Share Group.

Wilmington Emmaus Community Women's Good Shepherd

If you are in a share group please provide the following information:

Name: _____

Contact person for the Share Group: _____

Phone number of contact person: _____

Community location: _____

When do you meet? _____

This information would be helpful for present and future references to maintain a healthy and strong Emmaus Community.

Matthew 18:20

“For where two or three gather in my name, there am I with them.”
